With a career in property that has spanned over 35 years, and a successful property investor in Australia and internationally, Bushy Martin is sought for his innovative and clear insights on property investment, finance and lifestyle.

He is the author of two books, including the acclaimed The Freedom Formula and its award-winning prequel, Get Invested.

Bushy is the voice of the Property Hub podcast channel, sharing insights and interviews on its top shows Get Invested and Realty Talk, and is regularly featured by major media outlets including 60 Minutes, news.com.au and the Seven Network as a property and lifestyle thought leader.

As the founder of leading property finance and advisory firm KnowHow Property, Bushy has helped over 1900 Australians secure more than \$800 million in property to improve their lifestyle and replace their income safely, easily and affordably.

TOPICS & TALKING POINTS

- **Expert insight:** Australian property analysis and opinion
- **Living by design:** How Bushy went from burnt out, broke and divorced to a life of freedom and choice
- **Getting invested:** How to start investing with confidence and clarity
- **Investment tips and traps:** What to do, what not to do and what's ahead
